Dear Ms. Dortch:

I, Raymond Sinani, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company, which sells prepaid calling cards to retail vendors, who then resell the calling cards to end users, does not obtain, possess, use, or maintain CPNI. However, should Global Connect expand its operations and obtain CPNI in the future, it will establish operating procedures that are adequate to ensure compliance with the Commission's CPNI rules located at 47 C.F.R. §64.2001 et seq.

If any further information is required, please contact me or my counsel, Kristopher Twomey. Mr. Twomey can be reached at 202 250-3413, or via email at kris@lokt.net.

Sincerely,

A handwritten signature in black ink, appearing to read "Raymond Sinani". The signature is fluid and cursive, with the first name "Raymond" written in a larger, more prominent script than the last name "Sinani".

CPNI Compliance Statement of Title

Pursuant to the requirements contained in *Implementation of the Telecommunications Act of 1996: Telecommunications Carriers' Use of Customer Proprietary Network Information and Other Customer Information; IP-Enabled Services*, CC Docket No. 96-115; WC Docket No. 04-36, Report and Order and Further Notice of Proposed Rulemaking, 22 FCC Rcd 6927 (2007) ("EPIC CPNI Order"),¹ Raymond Sinani, of Global Connect Telecommunications, Inc., makes the following statement:

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers or pretexters in the past year. The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI. Since end users obtain the company's prepaid calling cards from retail vendors, the company does not obtain, possess, use or maintain CPNI. Should the company grow in the future into a position where it would acquire, use or maintain CPNI, it would assure the Commission that it will comply with all CPNI requirements.

Signed

Raymond Sinani
President

The carrier must provide a statement accompanying the certification explaining how its operating procedures ensure that it is or is not in compliance with the rules in this subpart. In addition, the carrier must include an explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI. This filing must be made annually with the Enforcement Bureau on or before March 1 in EB Docket No. 06-36, for data pertaining to the previous calendar year."
